

HP 3.5" Digital Picture Frame

Carry your memories in style

HP df300a2 Digital Picture Frame gives you an easy way to enjoy and share your favorite pictures with family and friends, all on the go!

It's so easy to use. Just take your pictures, remove the SD card from the digital camera, insert it into the picture frame, and enjoy the picture slideshow. It's that simple! HP df300a2 offers a stylish black mirrored surface design, and the included internal rechargeable battery allows you to share and view your pictures anytime and anywhere.
